Summer Reading List by Guided Reading Level

Here are some books that your child might enjoy that can be found at the Cresco Public Library. This list is arranged according to the guided reading level. Encourage your child to choose books that are several levels below, at, or slightly above their guided reading level. There are many more books that are not on this list. You can do a quick check if it is a just right book by reading the first page. If there are only a couple of words that your child does not know, it might be just right. Reading all summer long will help to eliminate the “summer slump”!
